GENERAL INSTRUCTIONS

WHO MAY APPLY. Any business that paid assessed personal property tax on eligible property may apply for a reimbursement of the property tax paid.

"Eligible property" means qualified business property first placed in service in Maine after April 1, 1995 and before April 2, 2007. Certain retail property placed in service after April 1, 2007 may also qualify.

Eligible property includes construction-in-progress commenced in the state after April 1, 1995, repair and replacement parts, improvements and inventory parts. Construction-in-progress begun prior to April 2, 1995 that was eligible for reimbursement in 1996 remains eligible for reimbursement.

"Qualified business property" means property used or held exclusively for a business purpose and subject to an allowance for depreciation or, in the case of construction-in-progress or inventory parts, would be subject to an allowance for depreciation when placed in service.

Qualified business property does not include land or buildings; however, it does include property affixed or attached to a building or other real estate if it is used to further the particular trade or business activity taking place at that location. Components or attachments to a building used primarily to serve the building (for example, standard heating, air conditioning, plumbing and lighting systems) do not qualify. Land improvements typically made to further the use of the land (for example, driveways, parking lots or fences) also do not qualify.

Reimbursement is not allowed for office furniture (such as tables, chairs, desks, bookcases, filing cabinets and modular office partitions) or lamps and lighting fixtures placed in service after April 1, 1996.

Reimbursement is not allowed for gambling machines or devices.

BETR & TIF overlap. The BETR application contains a checkoff box to indicate if the applicant is also receiving a benefit under a Tax Increment Financing ("TIF") agreement. All BETR applicants who are also receiving TIF benefits must complete a worksheet located on the MRS web site at: **www.maine.gov/revenue/forms/betr/BETR_WS.pdf.** See 36 MRSA § 6664.

COGENERATION FACILITIES. Reimbursement for cogeneration facilities is based on the energy produced during the property tax year preceding the property tax year for which a claim is made.

ASSESSOR NOTIFICATION (Forms 801A and 801B). Before filing a request for reimbursement, you must notify the local tax assessor of your intent to claim reimbursement of property tax. Form 801A (eligible property claimed for fewer than 13 years) and Form 801B (eligible property claimed for 13 or more years) are provided for this purpose. You may use your own schedule as a substitute for Form 801A and Form 801B, as long as it provides all of the information included on the official forms. See "Assessor Notification" on page 5.

CONSOLIDATION SCHEDULE. If your business has eligible property in multiple municipalities, complete the consolidation schedule. The consolidation schedule is on the reverse side of Form 800. See "Consolidation Schedule" on page 4. For businesses with property in ten or more municipalities, an electronic spreadsheet version of the consolidation schedule is available. To request a copy of the file, email Maine Revenue Services at **income.tax@maine.gov**.

EXTENSION TO FILE. An extension of time to file through March 1, 2013, may be granted for good cause. A request for extension of time to file must be made in writing to the address listed under WHERE DO I FILE? on this page. The request must include the applicant's full name, address and federal EIN; the amount of property taxes paid in 2011; the date(s) property taxes were paid in 2011; and the reason an extension is being requested. By law, extensions may not be granted beyond March 1, 2013.

ROUND TO WHOLE DOLLARS. Round all dollar amounts. Round down to the next lower dollar any amount less than 50 cents. Round up to the next higher dollar any amount 50 cents or greater.

WHERE DO I FILE? Mail your completed application along with the Assessor Notification (Form 801A and/or Form 801B), a copy of your tax bill, proof of payment and BETR/TIF worksheet (if necessary) to:

Maine Revenue Services Income/Estate Tax Division P.O. Box 1064 Augusta, ME 04332-1064

AMENDED APPLICATION. An amended application is not necessary for any reason other than if the property tax is reduced or abated after a claim for reimbursement has been filed. An amended application for reimbursement must be filed within 60 days after receipt of the reduction or abatement.

Reimbursement of property tax that is subsequently reduced or abated must be repaid to Maine Revenue Services with the amended application. Make your check payable to: Treasurer, State of Maine.

If you fail to file an amended application, including any payment due, within the 60-day period, Maine Revenue Services may issue an assessment for the balance due plus interest and penalties.

Interest accrues from the original reimbursement date to the date of repayment. The calendar year interest rate is set annually by Maine Revenue Services.

The penalty for failure to file an amended application is \$25 or 10% of the amount of the balance due, whichever is greater. The penalty for failure to pay the balance due on time is 1% of the liability for each month the liability is late, up to a maximum of 25%.

WHERE DO I GET FORMS? You may download forms from the Maine Revenue Services web site at www.maine.gov/revenue/forms. Forms are also available by calling (207) 624-7894.

SPECIFIC INSTRUCTIONS

The spaces indicated in white must be completed carefully with black or blue ink only. Letters and numbers must be entered legibly within the indicated area. Letters must be in uppercase only and start on the left; numbers start from the right. For example:

> XAVIER Ζ FORRESTAL INC **Business Name** 6 ROCKWOOD DRIVE Mailing Address 1,0 2 9,6 2 5 5. Original cost of eligible property

APPLICATION (FORM 800)

Applicant ID Number and Name. If the applicant is a corporation, partnership or LLC, enter the federal EIN and business name. If the applicant is a **sole proprietor**, enter the social security number, name and address. This should be the same name and ID number used to file other tax forms.

Line 1. Consolidated Application. If you are filing for reimbursement of taxes paid to more than one municipality, check the "YES" box and refer to the consolidation schedule instructions below. If you are filing a claim relating to only one municipality, check the "NO" box.

Line 2. Business Code. Enter the six-digit code for the type of business for which reimbursement is being requested. The business code listing is on pages 8 and 9.

Line 4. Check this box if the business receives reimbursement for personal property taxes under a Tax Increment Financing ("TIF") agreement. If yes, a completed TIF worksheet must accompany this application. The TIF worksheet can be found at www.maine. gov/revenue/forms/betr/ or by calling 207-626-8475.

Lines 5-8. In the assessed April 1, 2010 column, enter information relating to property taxes paid in 2011 for property taxes assessed on April 1, 2010. In the assessed April 1, 2011 column, enter information relating to property taxes paid in 2011 for property taxes assessed on April 1, 2011. For instructions on how to file for reimbursement of property tax payments made in 2011 relating to assessments prior to April 1, 2010, call (207) 626-8475. If the requested reimbursement is for property taxes assessed by more than one municipality, first complete the consolidation schedule (see instructions below), then complete lines 5, 6, 8 and 9.

Lines 5a and 5b. Original Cost of Eligible Property. Enter the total original cost of eligible business property from column E on Form 801A and Form 801B, lines 4,10,16 and 22,

Lines 6a and 6b. Assessed Value. Enter the total assessed value of eligible business property from column F of Form 801A and Form 801B, line 25.

Lines 7a and 7b. Property Tax Rate. Enter the property tax rate from Section 3 of Forms 801A and 801B. Leave this line blank if you completed a consolidation schedule for property taxes assessed by more than one municipality.

Lines 8a and 8b. Requested Reimbursement. Enter the amount of tax paid in 2011 on eligible business property. Do not include property taxes assessed in a year for which the high-technology credit is taken, if that property is included in the high-technology credit investment base. Apportion tax payments to eligible assessed tax.

For example, if 50% of the 2010 tax bill was paid in 2011, the tax paid for that tax year would be 50% of "Assessed Tax" in Section 3 of Form 801A and Form 801B for 2010.

Line 9. Total Reimbursement. Total of lines 8a and 8b. For property first subject to property tax assessment on or after April 1, 2008 and for property for which BETR reimbursement has previously been paid by the state for at least 12 years, the total of the BETR reimbursement and any Tax Increment Financing ("TIF") reimbursement on the property cannot exceed the total property tax assessment on that property for the year for which BETR reimbursement is requested. The BETR reimbursement with respect to that property must be reduced by the total BETR/TIF reimbursement on the property that exceeds the total tax assessed on the property.

Signatures. The applicant must sign and date the application. If someone other than the applicant completed the application, that individual must also sign the application and provide their social security number or federal EIN.

Telephone. Provide applicant and preparer telephone numbers in case questions arise regarding the application.

CONSOLIDATION SCHEDULE

Complete this schedule if you are claiming reimbursement for property tax that you paid in more than one municipality. You may ignore this schedule if you are making a claim for only one business location. If it is required, complete this schedule before completing page 1 of the application. The information on this schedule is needed to complete Form 800, page 1. You may submit more than one consolidation schedule page. A separate Form 801A and Form 801B must be completed for each municipality listed on the consolidation schedule.

For businesses with property in ten or more municipalities, an Excel spreadsheet version of the consolidation schedule is available from MRS. To request a copy of the spreadsheet, email MRS at income. tax@maine.gov.

For each municipality, enter in the 2010 row information relating to property taxes paid in 2011 that were assessed on April 1, 2010. Enter in the 2011 row information relating to property taxes paid in 2011 that were assessed on April 1, 2011.

Column A. Municipal Code. Enter the appropriate municipal code from the table on pages 6 and 7.

Column D. Property Tax Rate. Enter, in mils, the applicable property tax rate for each municipality.

Column E. Tentative Requested Reimbursement. Enter the amount of tax paid in 2011 on eligible property. Submit proof of the property tax paid (receipt or cancelled check). For example, if 50% of the 2010 tax bill was paid in 2011, the requested reimbursement for that tax year would be 50% of "Assessed Tax" in Section 3 of Form 801A and Form 801B for 2010.

Line 1, Page Total. Enter the sum of columns B, C and E on each consolidation schedule page.

Form 800, lines 5a, 5b, 6a, 6b, 8a and 8b must reflect the combined total from all of the assessor notifications (Forms 801A and 801B) involved. Amounts for 2010 and 2011 on the consolidation schedule must be totaled separately in order to complete these lines on Form 800. Leave line 7 blank.

ASSESSOR NOTIFICATION (FORMS 801A and 801B)

Form 801A is used for eligible property for reimbursement claims of not more than 12 years. Form 801B is for reimbursement claims of more than 12 years. If requesting reimbursement for property located in more than one municipality, complete separate Forms 801A and 801B for each municipality.

Businesses that have previously applied for the BETR program are not required to submit a detailed description of property previously claimed. Detailed property lists are only required for property that has not been previously included in a reimbursement application. For property for which a detailed list is not required, complete Forms 801A and 801B by property categories (machinery & equipment, furniture, other) and by year placed in service.

Section 1 and Section 2, columns A through E, are to be completed by the applicant. Include only the items that are eligible for reimbursement. Section 2, column F and Section 3 are to be completed by the local tax assessor.

Section 1. Notice of Intent. On line 1A., enter: the name of the municipality in which the eligible business property is located; the name of the applicant; and the appropriate municipal code from the table on pages 6 and 7. Form 801A is for eligible property for reimbursement claims of not more than 12 years. Form 801B is for eligible property for reimbursement claims of more than 12 years.

Column A. Property Description. Property for which you are claiming reimbursement for the first time must be listed individually. Property for which you have claimed reimbursement in a prior year may be listed by category (machinery & equipment, furniture, other).

Column B. State of Origin. Enter the state where property was originally placed in service for used property only. See column C instructions below for more information.

Column C. Number of Years Claimed. Form 801A only: Enter the number of years for which you have received reimbursement on this equipment under the BETR program. If you purchased eligible property from a previous Maine owner, add one year for each year the property was claimed by the previous owner. If Maine is the state of origin, include with your application documentation showing evidence of the date the property was first placed in service in Maine (whether by current or previous owner).

Column D. Form 801A (Date Placed in Service): For property listed individually in column A, enter the month and year the property was first placed in service in Maine (whether by you or a previous owner). For property listed by category in column A, enter the original assessment year. The assessment year is the calendar year that includes April 1st following the purchase date. Form 801B (Original Assessment Year): Enter the original assessment year. The assessment year is the calendar year that includes April 1st following the purchase date.
